GOVT OF MYSORE

Sir,

Adverting to Government Order No L 6194-202/Ll 32-40-/01 dated 19th February 1941 sanctioning the continuance of the Bangalore City Drainage Division for a period of one year from 1-7-1941, I have the honour to state that the period expires on 30th June 1942

The following works programmed for completion in two years as per Government Order No 3422-26/Ll 90-41-4 dated 1-11-41 have not yet been completed Only the acquisition proceedings are nearing completion

1 Acquisition of lands for disposal works
2 Extension of the main sewer
3 Disposal works

Under the above circumstances, I request you to be good to obtain and convey sanction of Government to the continuance of the Bangalore City Drainage Division with its full complement for a further period of one year from 1-7-42, the cost involved being debited to the Project estimate

A copy of letter No 203 dated 2-4-1942 of the Special Officer Bangalore City Drainage Division in this behalf is enclosed for the information of Government

I have the honour to be,
Sir,
Your most obedient servant,

Director of Public Health

Letter No 203 dated 2-4-1942 from the Special Officer, Bangalore City Drainage Division, Bangalore, to the Director of Public Health in Mysore, Bangalore

---

I have the honour to state that the sanction conveyed in Government Order No L 6199-202/Ml 32-40-101 dated 19th February 1941 to continue this Division for a period of one year from 1-7-1941 expires on 30th June 1942, hence the residual period of the existence of the Division covered by the present sanction is hardly three months

The comprehensive scheme for the underground drainage system for Bangalore estimated at Rs 41,34,441/- was sanctioned by Government on during November 1941 (vide C O No 3422-26/Ml 90-41-4 dated 1st November 1941) and a programme of works comprising the following to be carried out and completed in two years has also to been fixed in the above Government Order

1 Acquisition of lands for disposal works
2 Extension of the main sewer
3 Disposal works

Of these the acquisition proceedings are near completion the tenders submitted for item No (2) have not yet been disposed of and as regards (3) the method of sewage disposal has yet to be settled In consideration of the fact that we are almost at the fag end of the current official year and consequently no progress can be secured in respect of items (2) and (3) it is necessary that the Division with its full complement should continue for atleast another two years to execute the above programme and also complete the old works in progress I therefore request that Government may kindly be moved to extend the life of the Division tentatively for a further period of one year from 1-7-1942 the expenditure in this behalf being debited to the Project estimate
